A school where children attend regularly, learn effectively and complete successfully

Dear Parents/Guardian,

As we approach the second term holidays, we can look back on a very successful term. Students and staff have been involved in a wide range of events and activities, and once again we have enjoyed and celebrated many successes.

We are looking forward to another great term at Amazing Love School. Our teachers are committed to building a school of excellence with a continuing focus on pupils' learning. We request that you actively participate in your child's education.

You can phone us or visit the school any time that you have a question concerning your child's progress. We consider it a great privilege and responsibility to be your child's teachers and look forward to working with each of you.

2014 –End of Term Two Newsletter

As agreed upon in the general meeting:

1. Each child must report back with half of the school fees to enable us to run the school smoothly.
2. Parents who have not yet brought or completed the 10kg of maize to bring it as soon as possible.
3. Children must report with the required scholastic materials. Children without books, pens, pencils etc. will be sent home.
4. For the third term, all students are required to get school uniforms.

TERM 1 AND TERM II SCHOOL FEES BALANCES

For the first and second term, we were patient with parents who have not yet paid the fees. Most parents have now harvested their crops. Please bring the school fees to the office as soon as possible.

ARRANGEMENTS FOR THE END OF TERM AND BEGINNING OF THIRD TERM

School will close to students at 6pm on Wednesday August 6th. Students who paid for the holiday package will receive their books. Please bring the file for your child's papers. School will re-open on Monday September 8th at 7:30am.

On Wednesday August 6th, from 2:00pm to 5:00pm, children will showcase what they have learnt so far. Please come and enjoy the amazing talents of our children. Students will be dismissed after the concert.

REGULAR ATTENDANCE

Regular attendance in class is needed to fully understand school work and do well on all tests. Children who are absent miss valuable information in their learning. Please ask your child every school day if schoolwork needs to be done, and if so, make sure your child completes the homework and brings it back to class to help reinforce what they have just learned.

MAKE YOUR FIRST STOP AT THE OFFICE

All visitors should report to the office first to avoid disruptions in the classes and ensure safety of the children.

EACH DAY OUR STUDENTS WILL RECITE THE FOLLOWING CHARACTER PLEDGE

Today I have come to Amazing Love School to learn and do my best. So help me Lord to understand what I will be taught. I will be respectful of my teachers, my schoolmates, myself and school property. I will give my full attention to every person who speaks to me, participate in all activities and complete the work set.

Choosing to be respectful of others, being responsible and working hard, will bring out the best in me. I choose to be trustworthy and fair in working with others, show others that I really care. I know what's right, I know what's good. I will do the things I know I should do. I shall practice discipline, routines and remain focused. I will dream big. Prepare to be amazed!

SOME OF OUR ACCOMPLISHMENTS in 2014

LITERACY PROGRAM

This term, our focus has been to teach children how to read and write. All teachers have worked hard on improving spelling skills, reading and vocabulary. At the moment children can read some simple English sentences. We have also introduced a lesson for debates and another to improve writing skills. There is still a lot of work to be done in order to bring our children to a reasonable level. This program will continue for the next 2 -3 years. We are asking all parents to support this program.

ENGLISH SPEAKING

All students are required to use English while on the school compound.

SCHOOL RULES AND STANDARDS OF CONDUCT

As part of our character development, we held meetings to set up school rules to help us guide our students. We also set up the Tuesday Assembly to develop good character and moral values among children. We have included a copy of the rules for you to read and sign. Please return the signed copy to the office.

STUDENT ARRIVAL AND DISMISSAL TIME

Students are required to report at 7:30am.

- The nursery section is dismissed at 12:45pm.
- Primary one and Primary two are dismissed at 4:15pm, while
- Primary three classes onwards leave at 5:15pm.

SATURDAY PROGRAM

As agreed during the general meeting, all primary school students will get free Saturday classes in 2014. In 2015, parents will be required to contribute a reasonable amount to enable our children to catch up in their studies. When children do not get a good foundation, learning is not effective. In order for our children to perform well, they need to close the gaps that were created in their studies.

SCHOOL CLUBS

We introduced various clubs including art and craft, reading, cooking, music dance and drama, and bible reading. This has been a hit as children were allowed to choose a club of their interest.

STUDENT LEADERSHIP

We now have a full student leadership made up of prefects and class captains. We have held several sessions to train the student leaders in leadership skills and responsibility. We shall soon set up a student council.

DISCIPLINARY COMMITTEE

This committee is made up of both students and teachers. They handle serious offences according to the School Rules and Standards of conduct. A meeting was held with students to explain the school rules to them.

2014 –End of Term Two Newsletter

HEART TO HEART TALKS

We saw the need to hold unisex sessions (female teachers with girls and male teachers with boys) to help educate children in the way they need to conduct themselves. These talks are held twice a term- at the beginning and end of term.

PARTNERSHIPS

We are thankful to all our partners who have been a great blessing to the children of Amazing Love School.

AGRICULTURAL SHOW

We took 21 students to the agricultural show in Jinja. This was very beneficial for our students.

SCHOOL CONSTRUCTION

We have made some progress with the construction of the classroom and Administrative block.

SCHOOL YEAR CALENDAR

| | | |
|----------|----------------------------------|---------------------------------|
| Term I | Monday 3rd February 2014 | Friday 25th April 2014 |
